

IVC

May 28 - 30, 2026
Miami Marriott Biscayne Bay

EXHIBITOR & SPONSORSHIP PROSPECTUS

A Venous Legacy. A Vascular Future.

**Showcase, Connect, and Lead
in Vascular Innovation at the
24th Annual International Vascular Congress!**

IVC MIAMI 2026 IS YOUR PATHWAY TO THE *DECISION MAKERS IN VASCULAR MEDICINE*

Since 2003, IVC has set the standard as the premier international meeting driving innovation in venous care. Renowned for its pioneering live case presentations and commitment to advancing endovenous technologies, IVC continues to lead the conversation on the future of vascular treatment. Exhibiting at IVC 2026 places your company at the forefront of this rapidly evolving field. Our comprehensive **venous and arterial** education program features didactic sessions, case demonstrations, interactive workshops, and practical training resources—creating an unmatched platform for showcasing your latest devices, tools, and technologies to a highly targeted audience.

IVC draws a diverse and influential group of attendees including vascular surgeons, interventionalists, nurse practitioners, ultrasound technologists, and office-based clinicians—professionals who are actively evaluating new solutions to optimize outcomes and streamline procedural efficiency. By exhibiting, your organization gains direct access to decision-makers and early adopters who are shaping the future of venous interventions. Partner with IVC to demonstrate your commitment to advancing patient care, foster valuable relationships, and position your technology as an essential component in the modern venous practice. Be part of the conversation that's shaping the next generation of vascular care—showcase your expertise, build meaningful connections, and position your brand at the forefront of the global venous community at IVC 2026.

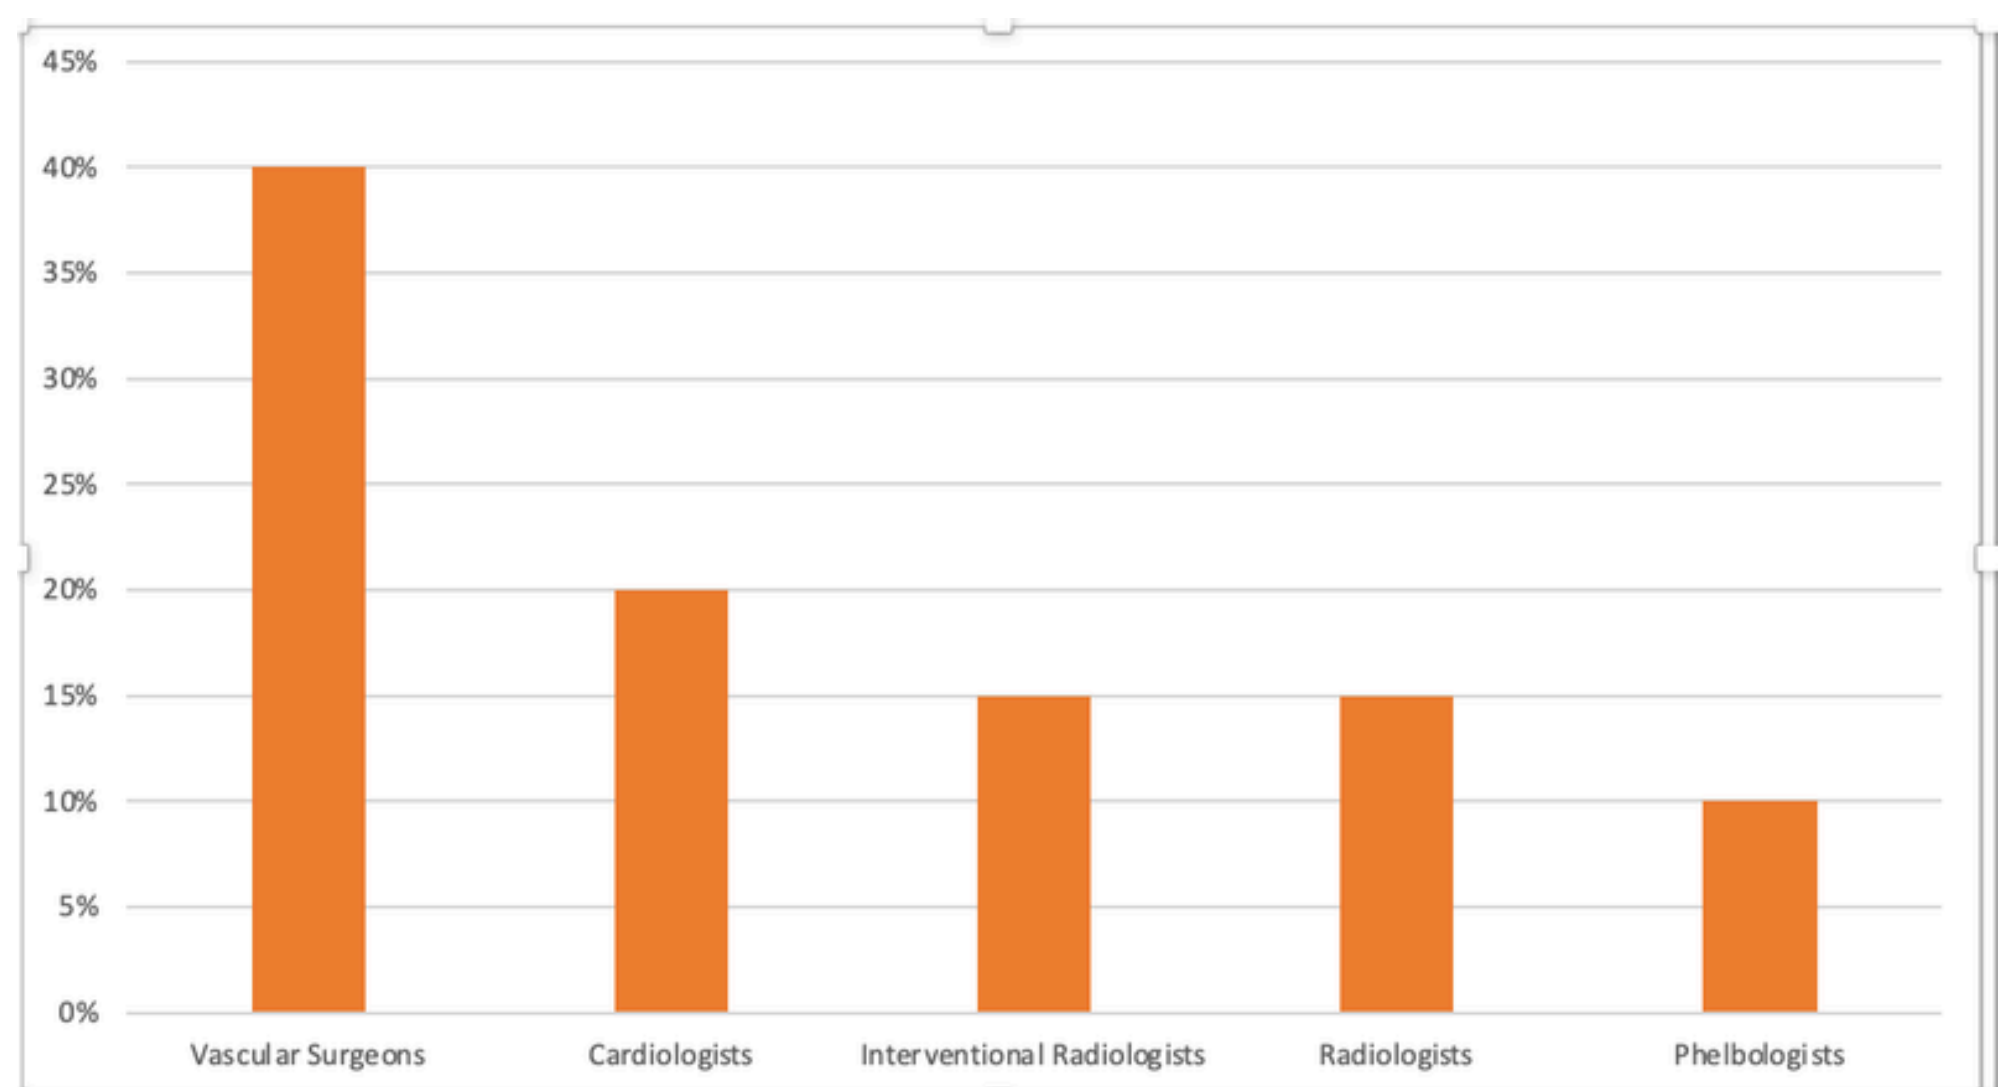

Who attends IVC

500+ attendees

Over 30% in private practice

Four paths to maximize your efforts and reach your target audience:

- Exhibits
- Sponsorships
- Symposia
- Hands-On workshop/simulations

IVC 2026 is meticulously crafted to offer you unmatched opportunities for networking, connecting, and advancing your goals alongside key decision-makers.

ULTRASOUND WORKSHOP SPONSORSHIP OPPORTUNITY

- Comprehensive Training: Participants will engage in didactic and hands-on workshops covering venous and arterial ultrasound techniques, mapping, image optimization, documentation, etc.
- Expert Instruction: Benefit from dedicated ultrasound course instruction led by esteemed expert Jan Sloves, RVT.
- This sponsorship offers a valuable platform to showcase your ultrasound technology and foster direct connections with healthcare professionals seeking to enhance their expertise.

This is one of the most anticipated hands-on experiences at IVC MIAMI, rated at the top of attendee satisfaction polls.

New this year! *Fellows Hands-On Training*

SPONSOR

Through our new partnership with the University of Miami, IVC has broadened its scope to include comprehensive venous and arterial education while aligning fully with the University on Miami's commitment to training the next generation of vascular specialists.

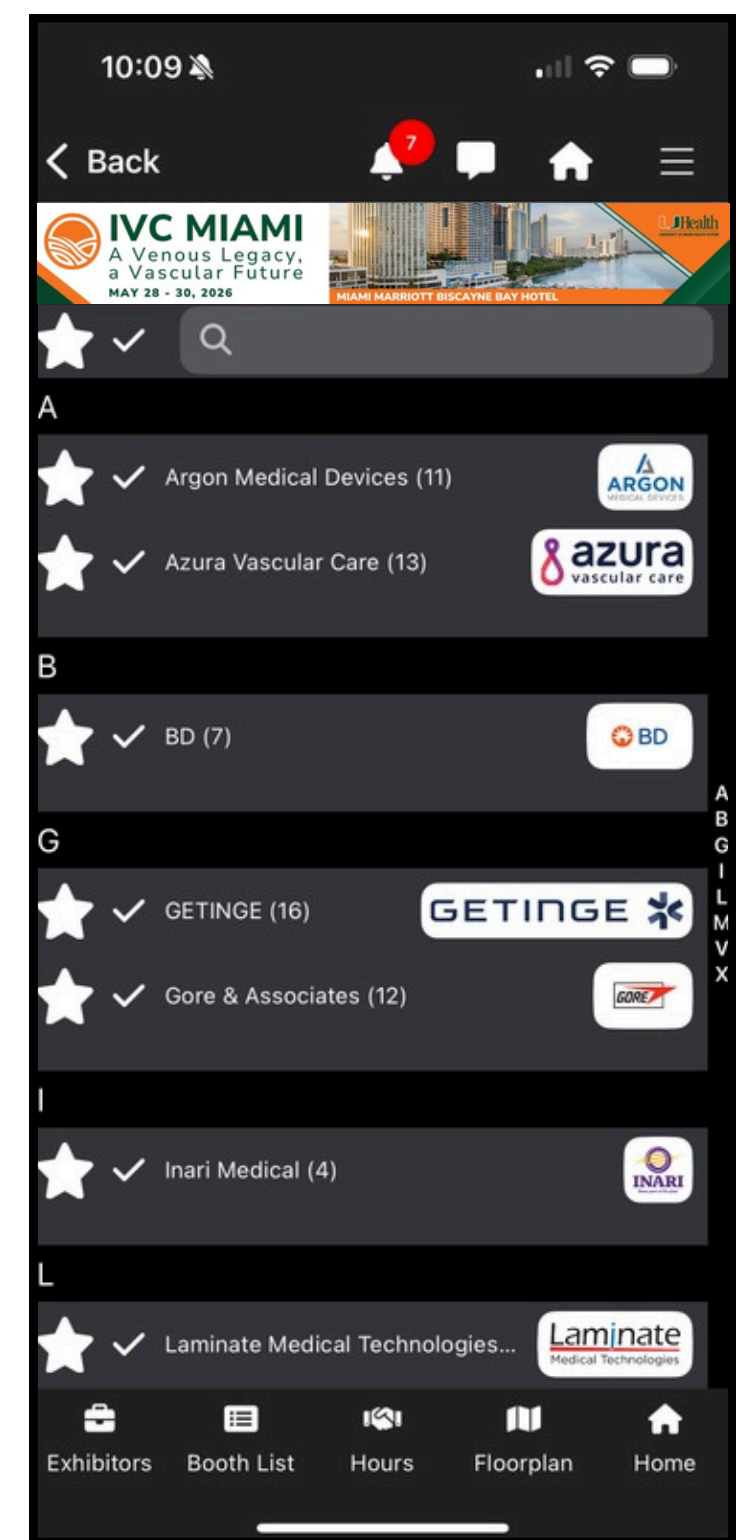

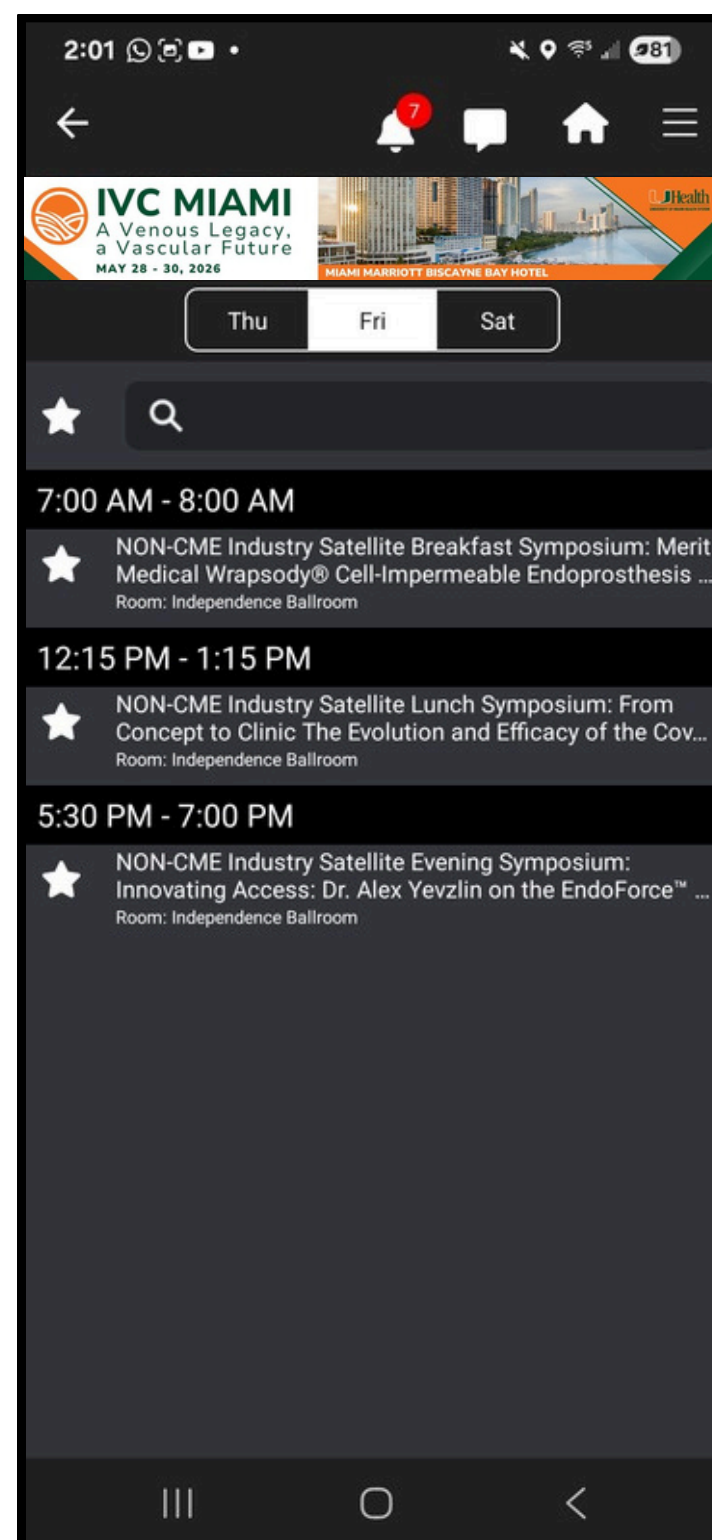

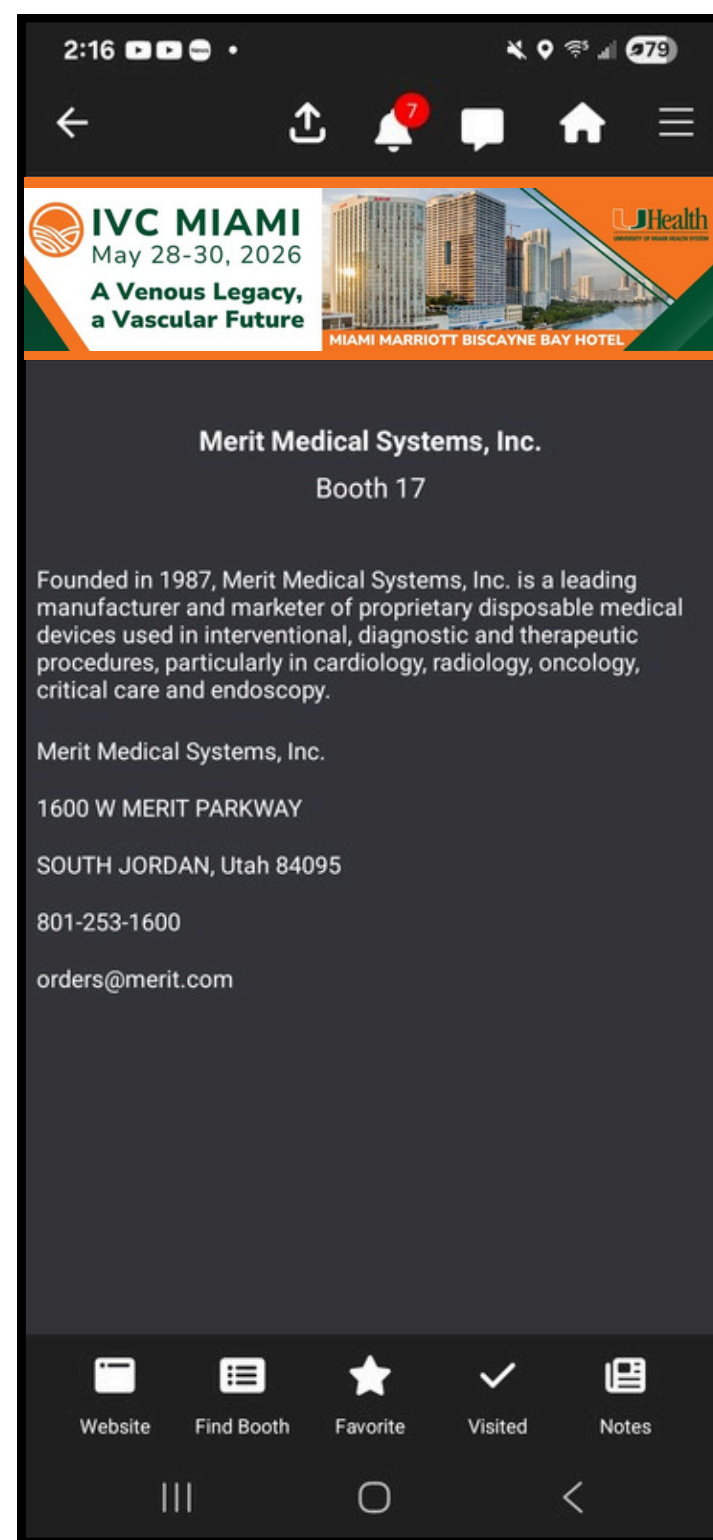

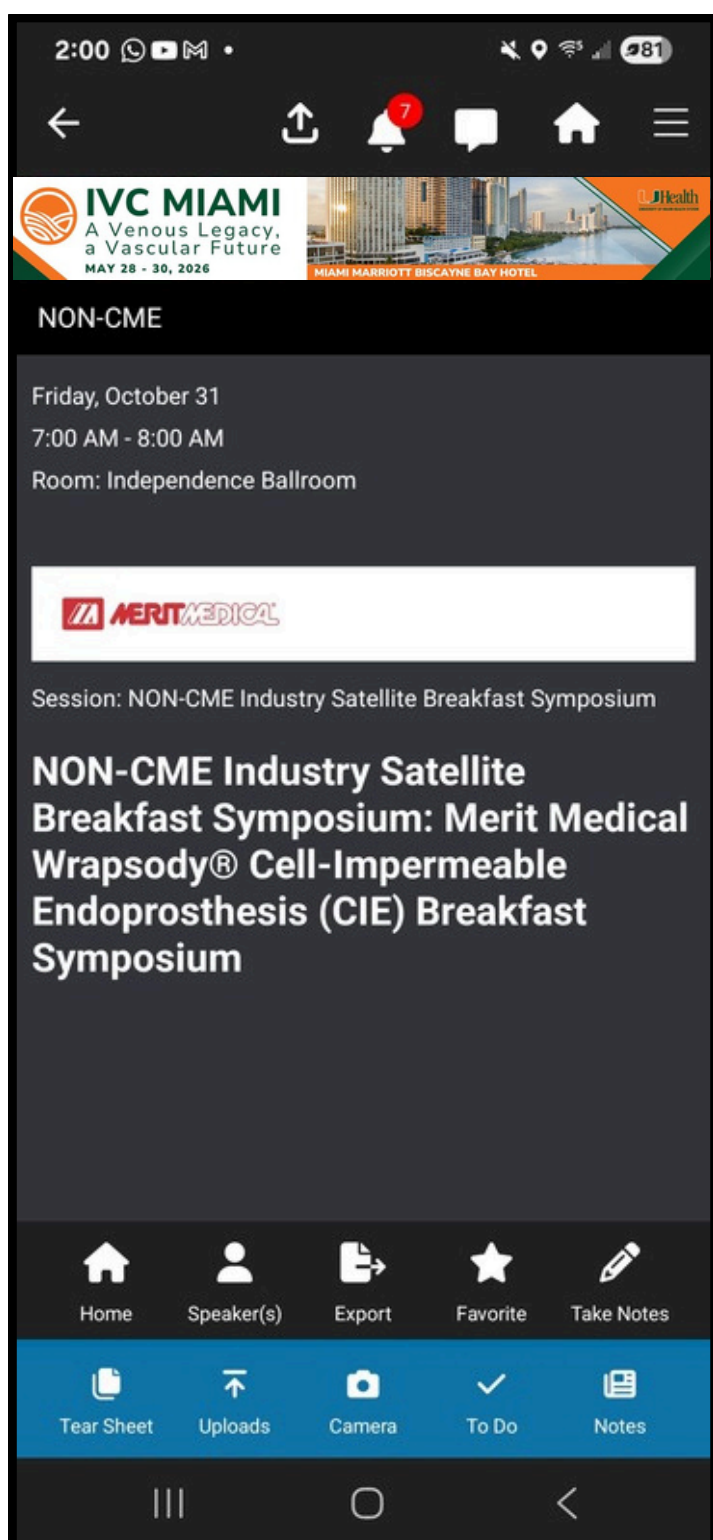

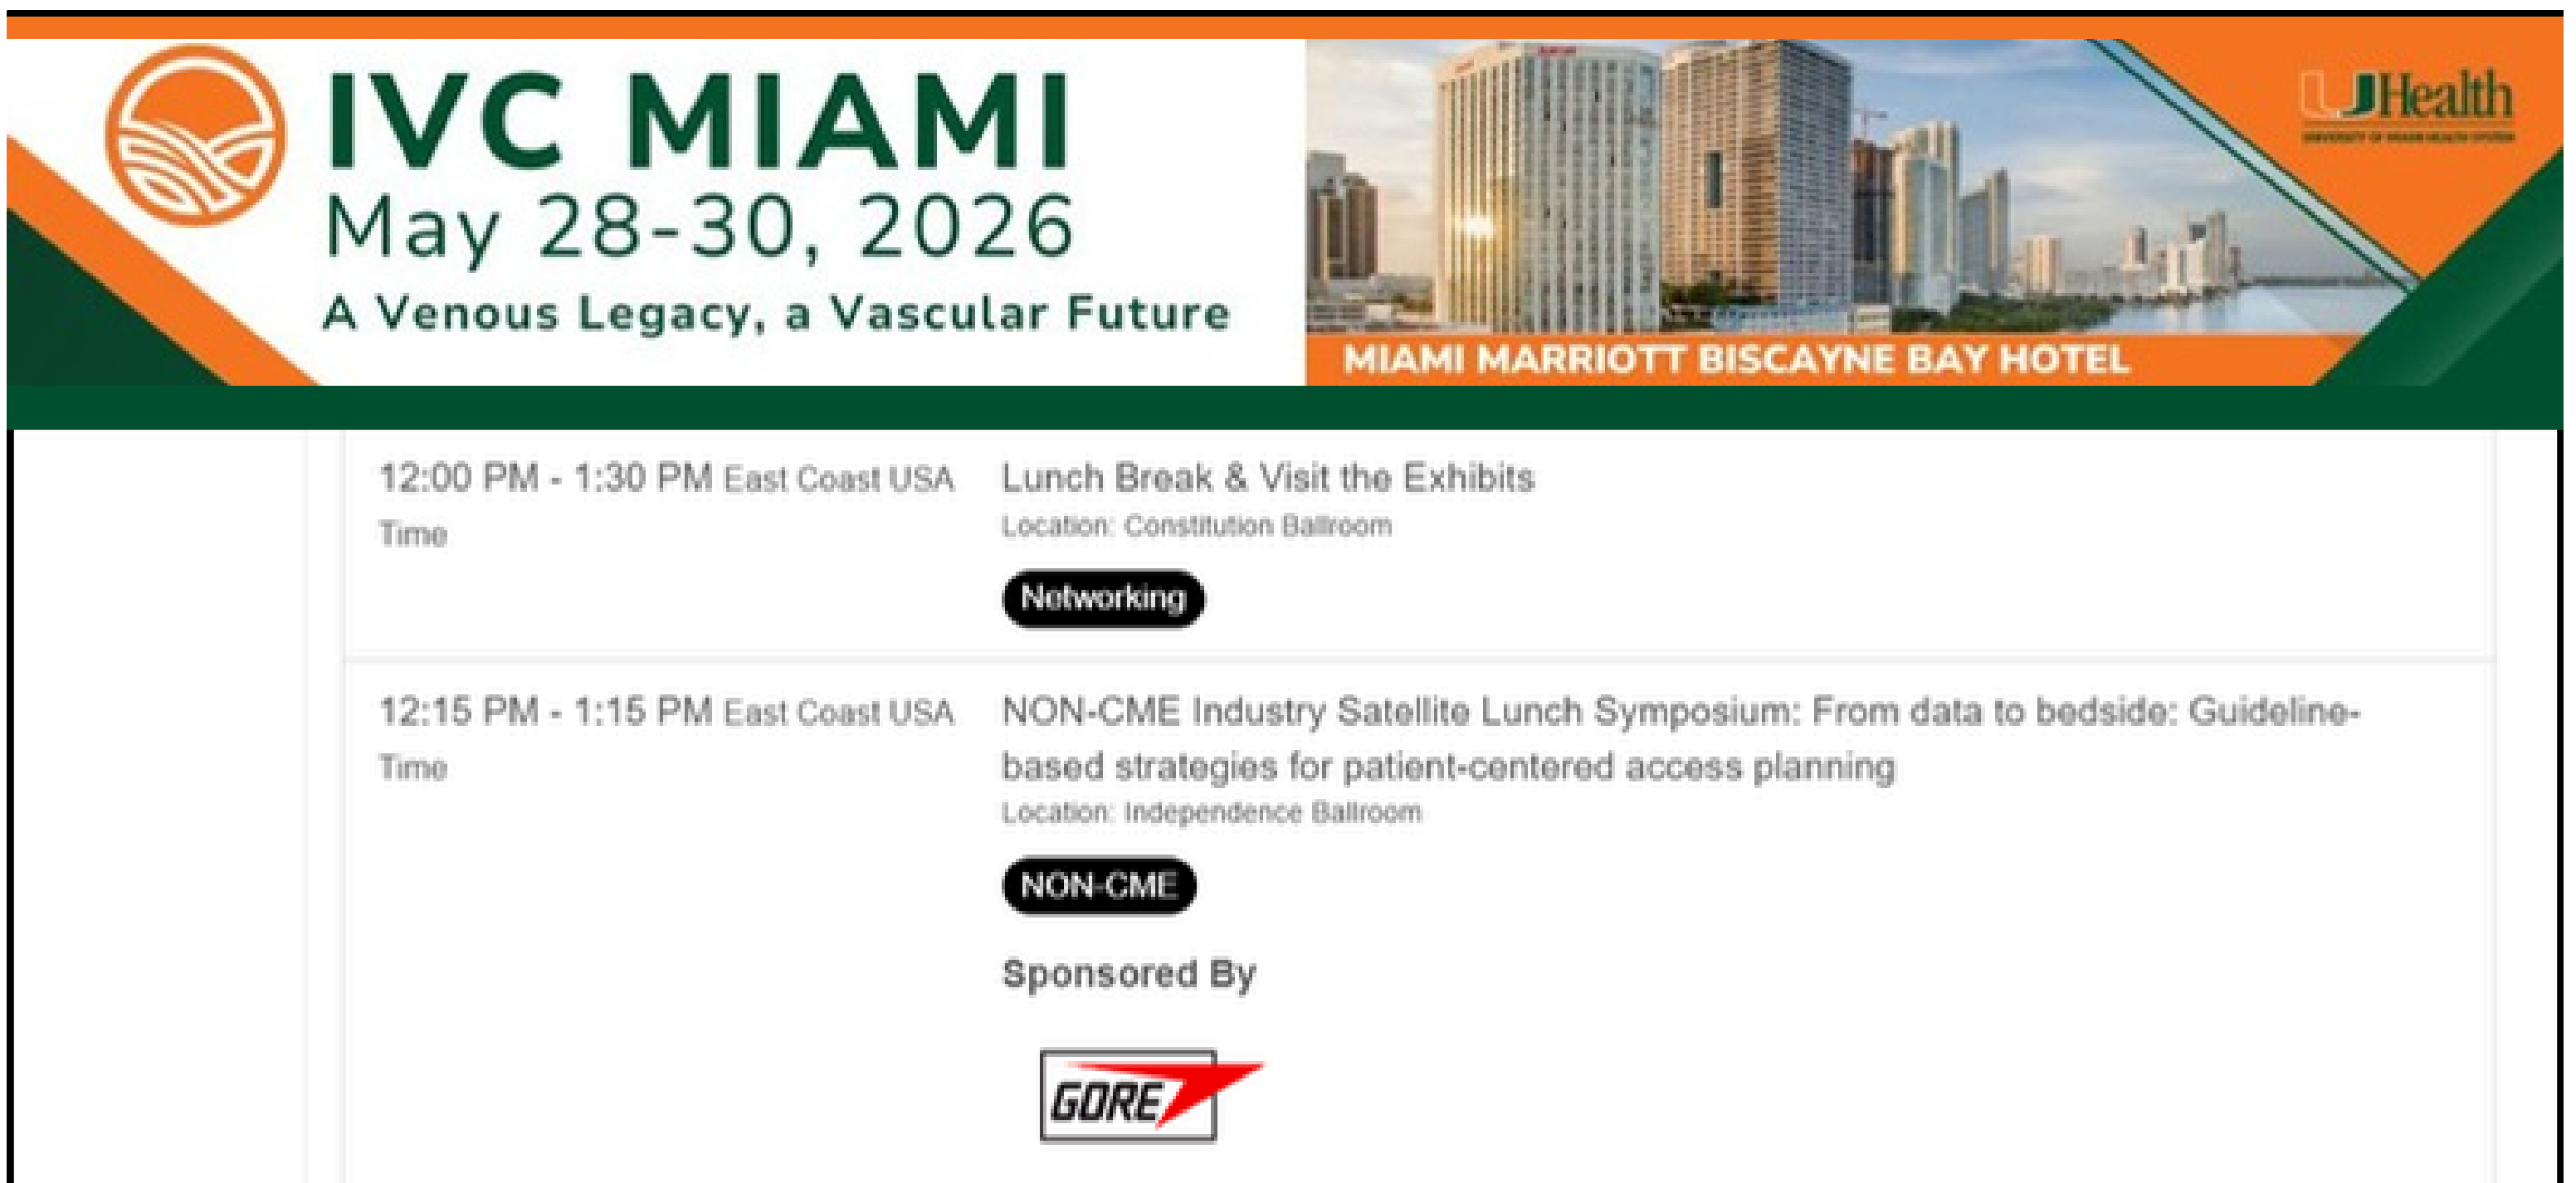

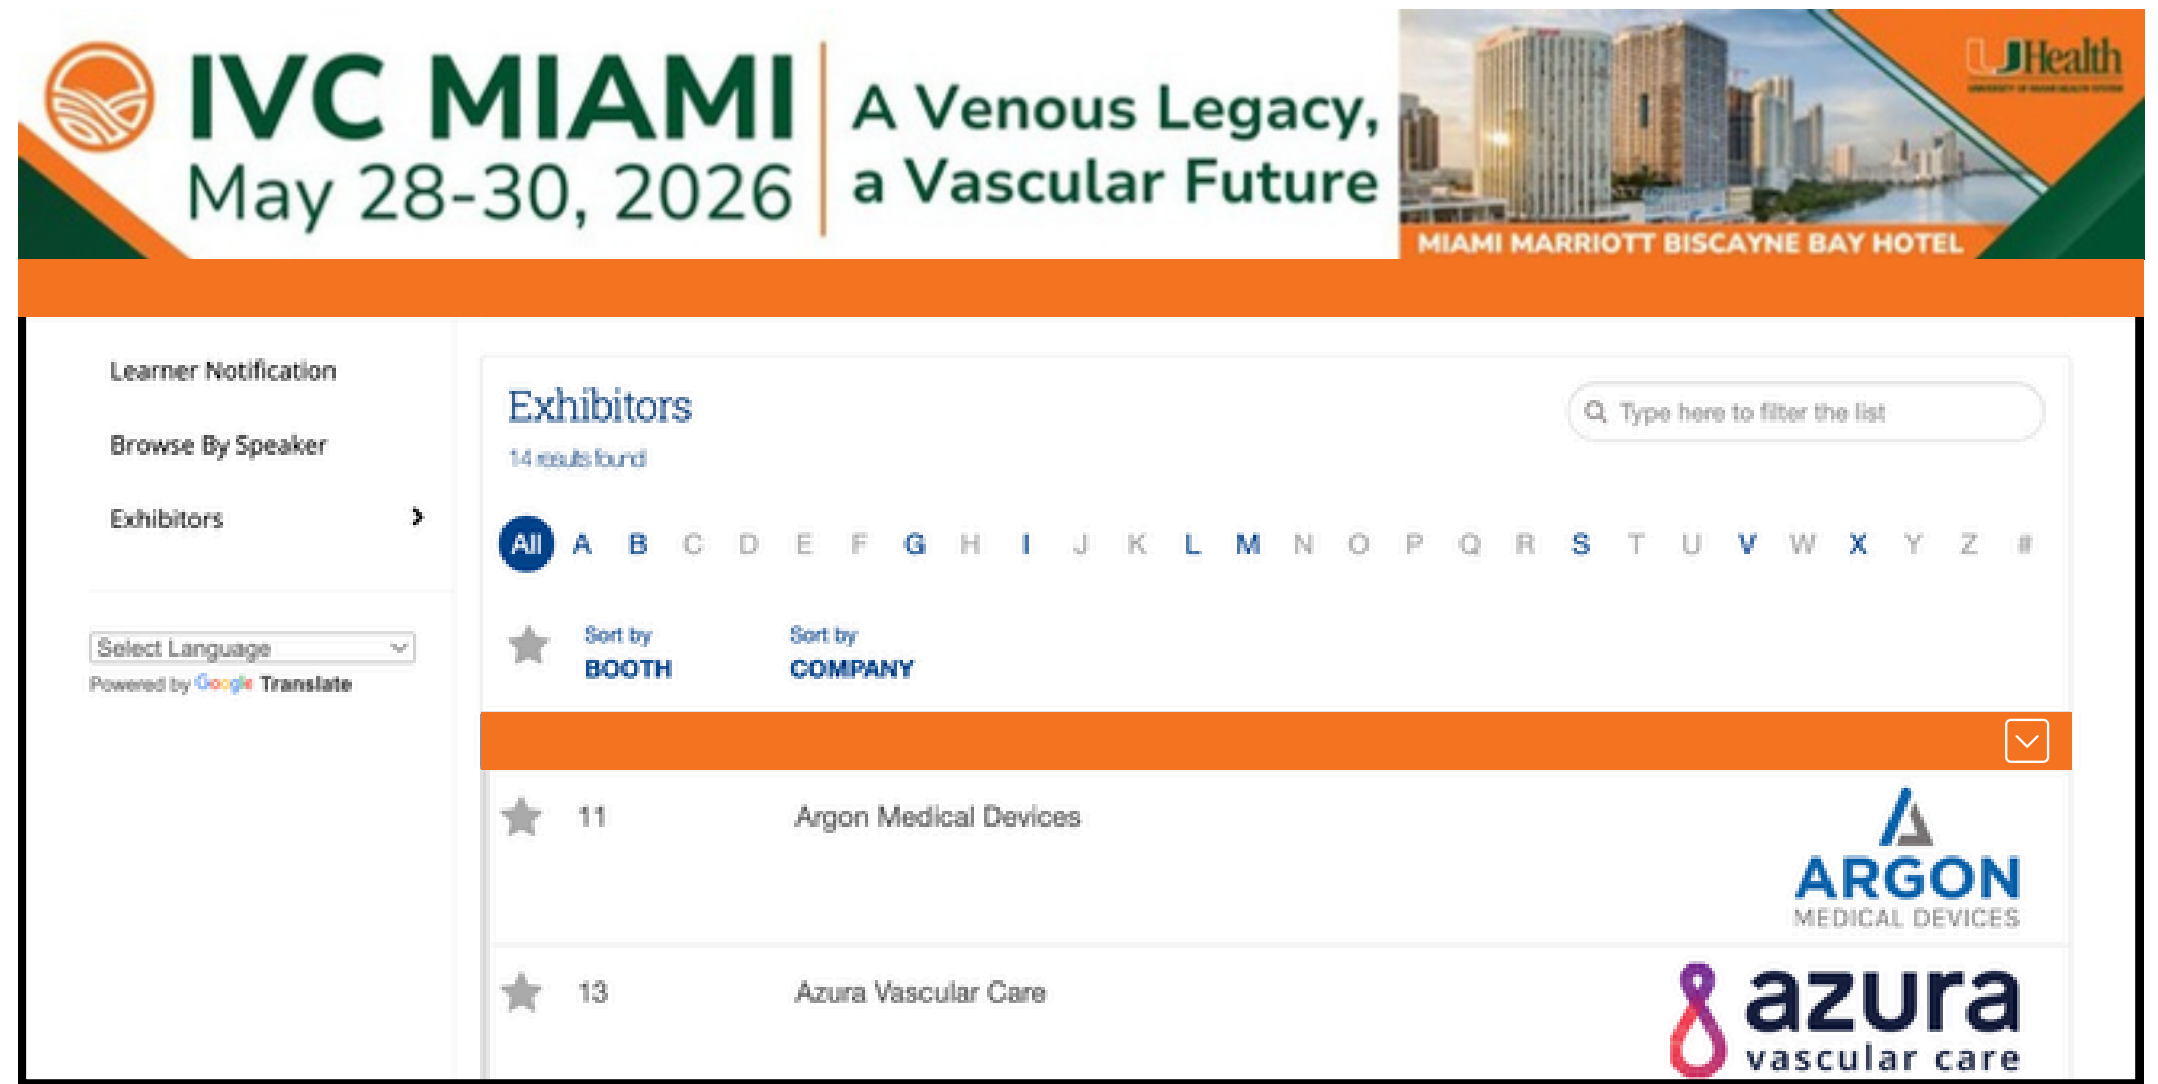

As part of this mission, **IVC 2026 will debut a dedicated physician-in-training curriculum, crafted specifically for vascular surgery residents and fellows.** This 3-day, interactive program blends expert-led instruction, case-based learning, and advanced hands-on ultrasound and device simulation to deliver essential, practice-ready skills in vascular and endovascular techniques.

Industry collaboration is essential to the success and impact of this initiative. Your support directly empowers trainees by giving them access to the most current technologies and devices that are shaping the future of vascular care.

**FOR DEVICE & DISEASE SESSIONS, ULTRASOUND HANDS-ON WORKSHOPS,
AND DEVICE-SIMULATION OPPORTUNITIES:
